Please help us feed our neighbors by donating cans and other non-perishable items now through March 31st.

Chancellor FFA Member Takes First

Congratulations to Kade Monell, president of the Chancellor High National FFA Organization, for placing first in the George Washington Federation public speaking contest held Thursday, March 24th at Riverbend High School. He competed in the extemporaneous speaking division against students from Spotsylvania and Riverbend High schools.

In extemporaneous public speaking the contestant draws a topic and then has 30 minutes to research and prepare for a 4 to 6 minute speech presentation, followed by being questioned by the judges for up to 5 minutes. Kade's drawn topic was "Are organic foods over-rated?"

A special thanks goes out to the contest judges, Dr. Larry Case - recently retired advisor of the National FFA Organization, Dr. Dennis Parsons - Director of Career and Technical/Adult Education for Spotsylvania County Public Schools, Mrs. Amber Belako - assistant principal at Riverbend High School, and Mr. Jonathan Hayden, President of the Spotsylvania County FFA Alumni.

Kade will now represent the George Washington Federation at the Central Area contest on April 13, 2011.

Congratulations to the Chancellor High School Music Department! All three performance areas (Band, Choir and Orchestra) earned SUPERIOR ratings at Concert Assessment/Festival this year and have earned Chancellor High School the honor of being a Blue Ribbon School. Chancellor is the only high school in Spotsylvania County to earn this honor this year!
