

School Based Approach to Trauma

Many of the students in your classroom come to you with backgrounds that include trauma histories. This brief training will provide you with an overview of trauma and some suggestions on how you, as a teacher, can help to support the needs of students with trauma histories. You can complete this training on your own time. Complete it before June 1 and receive 1 professional development hour on My Learning Plan!

Directions:

1. Make sure you are signed in to your google account
2. Go to www.edpuzzle.com
3. Select "I am a student"
4. Select "Sign in with google"
5. Select "Join a new class"
6. Enter the class code: egxjij
7. Select "Join the class"
8. View the video
9. Edpuzzle will automatically record that you have completed the training professional development will be entered into My Learning Plan on June 1
10. If you have questions call Lisa Dolan X 1032
