July 9, 2020,

Dear Chancellor High Students and Families,

It is with great pleasure that I write this letter to you as the new Principal of Chancellor High School. I am honored to have the opportunity to lead a school with such a diverse and spirited student body, a committed and professional staff, and a supportive school community. I am privileged to be a part of this school and I am excited about supporting our students and collaborating with families as we charge forward to student success.

I have been actively involved in the field of education for two decades. I have worked in a variety of roles with a variety of students ranging in grades from 5th grade through post high school. I have been a school mentor, a teacher, a department co-chair as well as an Assistant Principal. Through all of my experiences, I have come to believe that my job as an educator is to teach, challenge, encourage, and empower students on their journey to academic success. Education is not a spectator sport, but all must be involved. Our children are our future and their education must be a priority.

Education is also a lifelong process and I consider myself to be a lifelong learner. As such, I am looking forward to learning about the exceptionality found in our students, staff, and community here at Chancellor High this year and in the years to come. I look forward to having a great and successful 2020-2021 school year even in the face of COVID-19. We Are Chancellor Strong! Stay safe and I hope to meet and talk to you soon.

Sincerely,

Cassandra Crawford
Principal
Chancellor High School
