Vision & Mission of the Spotsylvania County Public Schools
Career & Technical Education Advisory Committee

The Virginia Advisory Committee for Career & Technical Education serves the function to assist in providing information about the needs of career and technical education students and programs to the Board of Education and the Department of Education and to make recommendations regarding career and technical education. Similarly, the SCPS CTE Advisory Committee serves to support the CTE programs of Spotsylvania County Public Schools and to provide recommendations based upon industry needs and demands, and to educate the public on the role career and technical education plays in our society.

Spotsylvania County Public Schools Vision
Spotsylvania County Schools is a leading school division that inspires and empowers all students to become creative thinkers, problem solvers and effective communicators by:
- Ensuring an engaging and supportive learning environment
- Providing a broad spectrum of innovative opportunities
- Building lasting partnerships with the community to educate our students

Spotsylvania County Public Schools Mission
Together, we prepare our students for their future.

SCPS CTE Advisory Committee Vision
To help inspire and empower our CTE teachers and students to become creative thinkers, problem solvers and effective communicators by:
- Ensuring an engaging and supportive learning environment
- Providing a broad spectrum of innovative opportunities
- Building lasting partnerships with the community to educate our students
- Educate the community on the value and contribution career and technically trained persons play in our society.

SCPS CTE Advisory Committee Mission
To support the preparation of our CTE students for their futures as productive members of society and to educate the community on the importance of Career and Technical Education in the development and preparation of students to become successful contributing members of society.
