Including fifteen (15) consecutive years of service, can participate in the School Board's health insurance program after retirement; however, the employer will contribute a set dollar amount (\$214) towards the total premium with the retiree responsible for paying the balance of the total premium if the retiree is not Medicare eligible. In addition, eligible individuals hired on or after July 1, 2009, can continue to participate in the School Board's retirement insurance program after they become eligible for Medicare coverage; however, the retiree will be required to enroll in Medicare Part A and B. Which VRS forms do I need to complete for a service retirement?

Your application must include the following forms and documents. Read the directions on all forms carefully and provide all signatures and required documents. An incomplete or incorrect application will delay the processing of your retirement.

- [Application for Service Retirement \(VRS-5\)](#)  314kb. Include acceptable legible evidence of your date of birth, such as a copy of your birth certificate. If you are married or separated, have your spouse complete the spouse certification section. Your spouse must sign on or after the date you sign the application.
- [Designation of Beneficiary \(VRS-2\)](#)  180kb to ensure your beneficiary designation is up to date. If you elect the Survivor Option, you must submit a VRS-2 to designate a beneficiary for life insurance benefits. You may name your survivor or another individual as your beneficiary.

- [Authorization for Direct Deposit of Monthly Benefit \(VRS-57\)](#)  31kb

 - Paperwork sessions will be held at the School Board Office to answer questions and provide help with the forms. Be on the lookout for a sign-up email with dates/times

What do I do with the forms once I have completed them?

- Make an appointment with the Benefits Specialist, Anne Sexton to review the VRS forms and complete any other SCPS forms for healthcare, leave etc. Call 540-834-2500 ext. 1500 to make the appointment.

When do I need to have the forms completed?

- To receive a check on July 1st for a June 1st retirement date, it is recommended that the forms be in the possession of the VRS no later than March 1st. HR requests that the forms be received by them no later than February 17th, which allow time for completion of the employer certification and mailing.

What happens to my life insurance when I retire?

- Your **Basic Life Insurance** coverage begins to reduce on January 1 following one calendar year of retirement. The reduction rate is 25 percent each January 1 until it reaches 25 percent of the total life insurance benefit value at retirement. If you have at least 30 years of creditable service, your coverage cannot reduce below \$8,000.
- If you have **Optional Group** life insurance coverage, you may continue a portion of your coverage after you retire, provided you as well as your spouse and dependent children, if enrolled, were continuously covered during the 60 months preceding your retirement date. Accidental death and dismemberment coverage ends upon retirement. The retiree amount continued will reduce 25% upon member's milestone birthdays of 65 (75%), 70 (50%), 75 (25%), and 80 (0%). The maximum amount of optional group life insurance coverage in retirement is \$275,000. You must elect to continue your coverage within 31 days of your retirement date. This option is not available after 31 days. You as well as your spouse and dependent children, if enrolled, can convert your coverage to an individual policy. You will be billed for the premiums. Submit a Conversion of Group Life Insurance Enrollment (VRS-39R) to Minnesota Life within 31 days of the last day of the month in which you leave your position. The form is available at www.varetire.org

Working after Retirement

- After you retire, you can work for any employer that does not participate in VRS and continue to receive your retirement benefits. If you return to covered employment with a VRS-participating employer, you will become an active member and your retirement benefits will end. You will be rehired under Plan 1 or Plan 2 according to the plan under which you retired.
- **Non-Covered Employment** In some cases, you can work in a non-covered position with a VRS participating employer and continue to receive your retirement benefits. If you return to non-covered employment with the employer from which you retired, you must have a bona fide break in service of at least one full calendar month from your retirement date over a period you normally would work. Periods of leave with or without pay,

summer breaks, intersession periods, sabbaticals and educational leave do not count toward satisfying this break in service.
