<sup>1</sup>ACT and SAT tests are taken in 9<sup>th</sup> or 10<sup>th</sup> grade (to focus on the Math portions of the test) with the expectation to take the test again in 11<sup>th</sup> grade. Students may use the best combination of scores to submit to colleges.

<sup>2</sup>The data from the PSAT taken during the Sophomore year is used by students and teachers to form a strategic plan for improving scores. All Sophomore students are strongly encouraged to take the PSAT.

<sup>3</sup>The PSAT taken during the Junior year is used to qualify for National Merit Scholarships and to practice for SAT/ACT in June

**Riverbend would like students to take each test twice in order to achieve the best possible scores.  
See Guidance Counselor for details on test fee waivers.**
