K-12 Learners:

Tutor.com provides on-demand tutoring, homework help, test preparation and writing assistance for students in grades K-Adult in over 60 subjects. No appointment is necessary! You can also use their drop-off reviews, practice quizzes, video lessons, and The Princeton Review SAT/ACT Essentials for self-study, 24/7.

* The Princeton Review-owned Tutor.com typically offers a free introductory session and then a tiered pricing system depending on how frequently a student needs to connect directly with one of the platform's one-on-one tutors. But for patrons of the Central Rappahannock Regional Library and more than 2,200 other libraries across North America that have partnered with Tutor.com, individual tutoring sessions are available for **free** as a regular, ongoing service.
