October 4, 2018

Dear Junior/Senior & Parent(s):

The Partnership for Academic Excellence provides college preparatory assistance to minority high school juniors and seniors in the greater Fredericksburg area. Services offered include SAT prep classes, financial aid planning, college application assistance, and trips to colleges and universities – *all free of charge*. Since our inception in 1989, we have assisted over 6,000 students.

As a junior or senior, you are invited to participate in The Partnership for the 2018-2019 school year. As a member, you will be required to participate in SAT prep classes once a week (offered on Tuesday or Wednesday evenings at the Walker-Grant Center (Original Walker-Grant School) at 200 Gunnery Road or 210 Ferdinand Street (both are the same building), Fredericksburg, 22401 from 7:15 – 8:45 p.m.) beginning on October 9 (Tuesday) or October 10 (Wednesday). **YOU ARE REQUIRED TO ONLY ATTEND CLASS ONE DAY PER WEEK.** The course will require your active participation in the classes and submission of homework assignments. You will also be eligible for The Partnership trips to colleges and universities, dependent upon your class attendance and homework completion.

If you are not interested in committing to full participation, please do not sign up for the program as considerable funding is invested in each student. We must be accountable to our donors of these funds that there is full participation of all student members.

If you have any questions, please feel free to contact me at 540-760-6525 or xavier.richardson@mwhc.com, or you may call Ms. Glenda Wilson at 540-226-4578.

See you on Tuesday, October 9 or Wednesday, October 10. Please bring a notebook, pen or pencil, and your calculator.

Sincerely,

Xavier R. Richardson
