

## **Bus Stop Information**

Your child's bus stop information is posted in ParentVUE and StudentVUE. Below are instructions for accessing the information. If you have any questions or have trouble accessing the information, please call the transportation hotline number at 540-582-5125 and select option 5, 8 a.m.-4 p.m., Monday-Friday. As a reminder, please have your child arrive at the bus stop 10 minutes prior to the pickup time.

## **Possible Bus Delays**

It is important to note that during the first weeks of hybrid in-person instruction there may be delays as children are learning which bus to get on at the school and we are double checking rosters before beginning the afternoon bus run to ensure all students are on the correct bus. Additionally, due to possible bus driver shortages and the COVID-19 mitigation limitations of riders per bus, it may be necessary to have our bus drivers make double runs. This may vary daily and we will make every effort to communicate delays that may result if this is needed. Thank you for your support.

**IMPORTANT NOTE:** Parents/guardians who would like to opt out of bus transportation and have not previously notified their school of their intentions, should call the transportation hotline at 540-582-5125 as soon as possible.
