Celebrations, Positives & Thank yous!

- Kudos to the students for warm greetings, respectful and proper use of manners, and walking on the right side of the hallway! They are rockin' good behavior!
- Let's celebrate Encore Plus on Thursdays...be sure to ask your child about it!

Instructional...

- **Making Learning Visible** - We are making learning visible to our students by intentionally making them aware of the learning intentions/objectives and making sure they know what success looks like. By making learning visible to the students, they should be able to answer these three questions.
 - What are you are learning?
 - Why are you learning it?
 - How do you know you have learned it?
- **Homework** - the most important homework any child can do is read. Reading is the key to learning!
- **VKRP** (Virginia Kindergarten Readiness Program) Read more about this on the VDOE website at this link <https://tinyurl.com/yxd4peb2>

Action Items...

- [Draft of Strategic Plan 2020-2025](#) presented by Dr. Baker at the previous School Board Meeting.

Notes & Friendly Reminders... Principal's Class of the Week - Mrs. Fossum, Kinder

- Please sit at the GUEST TABLE if you are having lunch with your child. Thanks for adhering to this.
- Please remember to sign your child's tracker or folder each day. This is helpful to stay in the know.
- Ask your child what "three words" they have heard from administration the last three Thursdays!
